A CLASSIC BRASSERIE WITH COSMOPOLITAN INFLUENCES

Brasserie Appelmans is a versatile brasserie, situated in the shadow of the cathedral. The special layout of our building, with its bars and mezzanines, makes Brasserie Appelmans the ideal place to welcome

groups of 15 to 180 people. With a good balance between hospitality, refined dishes and elegant drinks, we are the perfect location for a business meeting or a family affair.

Our first mezzanine offers coziness, warmth and enough privacy for your group. Mezzanine two, which can be completely separated, is the quiet and cozy floor of our brasserie. Due to the versatility of the different floors there are numerous possibilities, so we can always offer the perfect setting for your event: from network receptions with finger food, seated

dinners, walking dinners to a food-court with buffets. Our Private Bar can also serve as an aperitif area or serve as an atmospheric living room for a 'pousse-café', a perfect finishing touch to your evening.

LUNCH

Looking for the ideal lunch spot for your group? Brasserie Appelmans is extremely suitable for an atmospheric lunch.
