WE ARE PROUD TO PRESENT AN UNIQUE COLLABORATION

Piper-Heidsieck Essentiel Brut by Taste!

This unique champagne is a profound collaboration between Emilien Boutillat, Chef de Cave of Piper-Heidsieck, and Kasper Stuart from Taste! Restaurant & Bar Group. It's a perfectly festive aperitif champagne for any celebration, but also especially made to pair with the elegant dishes of Brasserie Appelmans & Absinthbar.

This champagne is from the harvest of 2014 and has ripened in the cellars for five years before it was disgorged in 2020. It is a blend of 47% Pinot Noir, 31% Meunier and 22% Chardonnay grapes and 18% of this champagne are the finest reserve wines.

It boasts a precise, well-rounded and elegant profile. Its precision and remarkable balance make it an ideal companion for gastronomy. The nose initially delivers notes of white peach, brioche, grapefruit and candied quince, developing towards aromas of toasted almonds. The palate is creamy and fresh. The length is remarkable and the finish on mineral notes pairs perfectly with refined cuisine. Extra brut at 6 gr/l.

St Félicien Tentation

A creamy core and soft flavour. Sometimes even a bit moist and runny. A white, floury crust. Made by the cheese refinery l'Etoile Du Vercors in the Rhône region.

Postel Fenugreek

Real abbey cheese from the Norbertine monks, made within the walls of Postel's abbey in the Antwerp Campine. Aside from the soft creamy taste, the fenugreek seeds offer this cheese its modest nutty flavour.

Old Remeker

Hard cheese made from raw cow's milk. Originating from Lunteren in the province of Gelderland, in the Netherlands. This farmer's cheese has biological raw milk from the Jersey breed as its base ingredient. What's unique here, is its natural crust, that is rubbed in with Ghee, a butter extract, during the ripening process. This very authentic dairy product reminds us of Cantal and has developed a delightful creaminess.

XO

This cheese is made in the Gouda region in the Netherlands but continues to ripen for 40 months in Northern-Antwerp. It is made from pasteurized cow's milk. Because of this uncommonly long ripening process, it develops ripening crystals leading to a good bite. Salty flavours with a nutty aftertaste.
