### A CLASSIC BRASSERIE WITH COSMOPOLITAN INFLUENCES

Brasserie Appelmans is a versatile brasserie, situated in the shadow of the cathedral. The special layout of our building, with its bars and mezzanines, makes Brasserie Appelmans the ideal place to welcome groups of 15 to 180 people. With a good balance

between hospitality, refined dishes and elegant drinks, we are the perfect location for a business meeting or a family affair.

Our first mezzanine offers coziness, warmth and enough privacy for your group. Mezzanine two, which can be completely separated, is the quiet and cozy floor of our brasserie.

Due to the versatility of the different floors there are numerous possibilities, so we can always offer the perfect setting for your event: from network receptions with finger food, seated dinners and walking dinners. Our Private Bar can also serve as an aperitif area or serve as an atmospheric living room for a 'pousse-café', a perfect finishing touch to your evening.

## LUNCH

Looking for the ideal lunch spot for your group? Brasserie Appelmans is extremely suitable for an atmospheric lunch.

The location, in the shadow of the Cathedral, is a great asset for organizers looking for a quick lunch for a business trip or a relaxed lunch for a group of friends or family members. We've already put together a few formulas for you, but it's also perfectly possible to make a customized menu. From sandwich lunch to extensive menus with adapted drink formulas and everything in between, everything is possible.

**Please choose 1 menu and 1 drink formula for the entire group. It is not possible to choose multiple formulas per company. Please let us know your choice of dishes 5 days in advance.**
